***Personal use income includes:** Funds provided by the welfare agency that are specifically identified by category for the personal use of the child, such as for clothing, school fees and allowances. Welfare funds paid to the foster parents identified by category for shelter and care, and those identified as special needs funds, such as those for medical and therapeutic needs are not considered as income. Where welfare funds cannot be identified by category, no portion of the provided funds is considered as income. Personal use income also includes other funds received by the child, including any income the child earns for full-time or regular part-time employment, and money provided by the child’s family for personal use.

Part 2 – Indicate if the child you are applying for is homeless or a runaway. You must contact the school (or homeless liaison) to notify them of the child’s status.
